By clicking this button, you submit your information to the webinar organizer, who will use it to communicate with you regarding this event and their other services.

Register

3. To see the time in you time zone, please click here:

4. After having registered successfully, you will receive a confirmation e-mail. It contains the log-in link.

1. Click the link to join the webinar at the specified time and date:

<https://global.gotowebinar.com/join/1450822444403131393/470394112>

Note: This link should not be shared with others; it is unique to you.

Shortly before the webinar is due, click the log-in link. You will then see a welcoming screen. The webinar will be starting automatically in due time.

Once the transmission program “GoToWebinar” has started, you will have the chance to ask questions by typing them into the chat window.
